## **BroadLocal is a Foundational Must for Every Local Business Owner!**

Did you know 94% of people looking for a product or service look first on a computer or phone? These 94% of people just **Google it!** You need not just to show up on Google's 3-Pack but you need to show up from the locations where the people are searching from. Business Owners may be found from their location. Are they in that top 3-Pack in the markets where people are looking, whether it's 1/4 mile or 5 miles away? Our Broad**Local** software can set your search area to meet the business owner's needs, we call this Geo-Trac.

Our Founder, BobbyGrant over the past four decades has worked with many iconic Fortune 500 companies, including Disney, Nordstrom, FedEx, Paramount Pictures, and The Ritz Carlton to name a few. Building on his unique experiences with these companies, he learned what works best and what mistakes to avoid.

Showing up where 94% are searching makes sense in today's business environment. Cut the advertising, digital marketing and use what works...

As a BroadMoar Independent advisor, you have access to BobbyGrant and his expert knowledge as well as all the tools and services BroadMoar has to make you a one-stop shop for business owners.
