## With Restaurant**Different**, Increases Revenue, Guest Count & Customer Experience!

**Our Philosophy:** Improve "The Client's Condition". It doesn't matter if we're helping a restaurant redesign their brand and marketing or if we're looking to help them grow.

BroadMoar offers restaurant consulting services, including start-up services, designed to get you up and running quickly.

In addition, we provide existing restaurants with a range of services designed to improve profitability. Consulting services are customized to meet your needs, objectives, and budget.

Our subject matter expert and his family have been in the restaurant and franchise business for over 40 years and teamed with BobbyGrant our brand and marketing expert.

Because of those experiences, numerous trade show and event coordinators invited him to presents. He met many entrepreneurs, business owners and franchise groups. BobbyGrant worked with them to increase revenue and grow margins while increasing customer experience.

Many business owners in the restaurant industry has engaged BobbyGrant to meet and evaluate different business models. After nearly a dozen meetings, it was painfully clear that most restaurant have the same issues.

These issue prompted BobbyGrant to created Restaurant**Different** to solve the problems he observed.

Restaurant**Different** also includes BobbyGrant's Proven 3-step Process. The Proven 3-Step Process for restaurants not only helps increase customers and revenue but also can eliminate most advertising costs.

Restaurant**Different** is used by over 200 restaurants, bars, coffee shops, and hotels with over 1,899 locations, and has been proven to increase revenue by 28% - 44%, and that's with zero advertising.

This Proven 3-Step Process and Restaurant**Different** was designed exclusively for BroadMoar's Restaurant Consultants and Advisors.
